FOREWORD

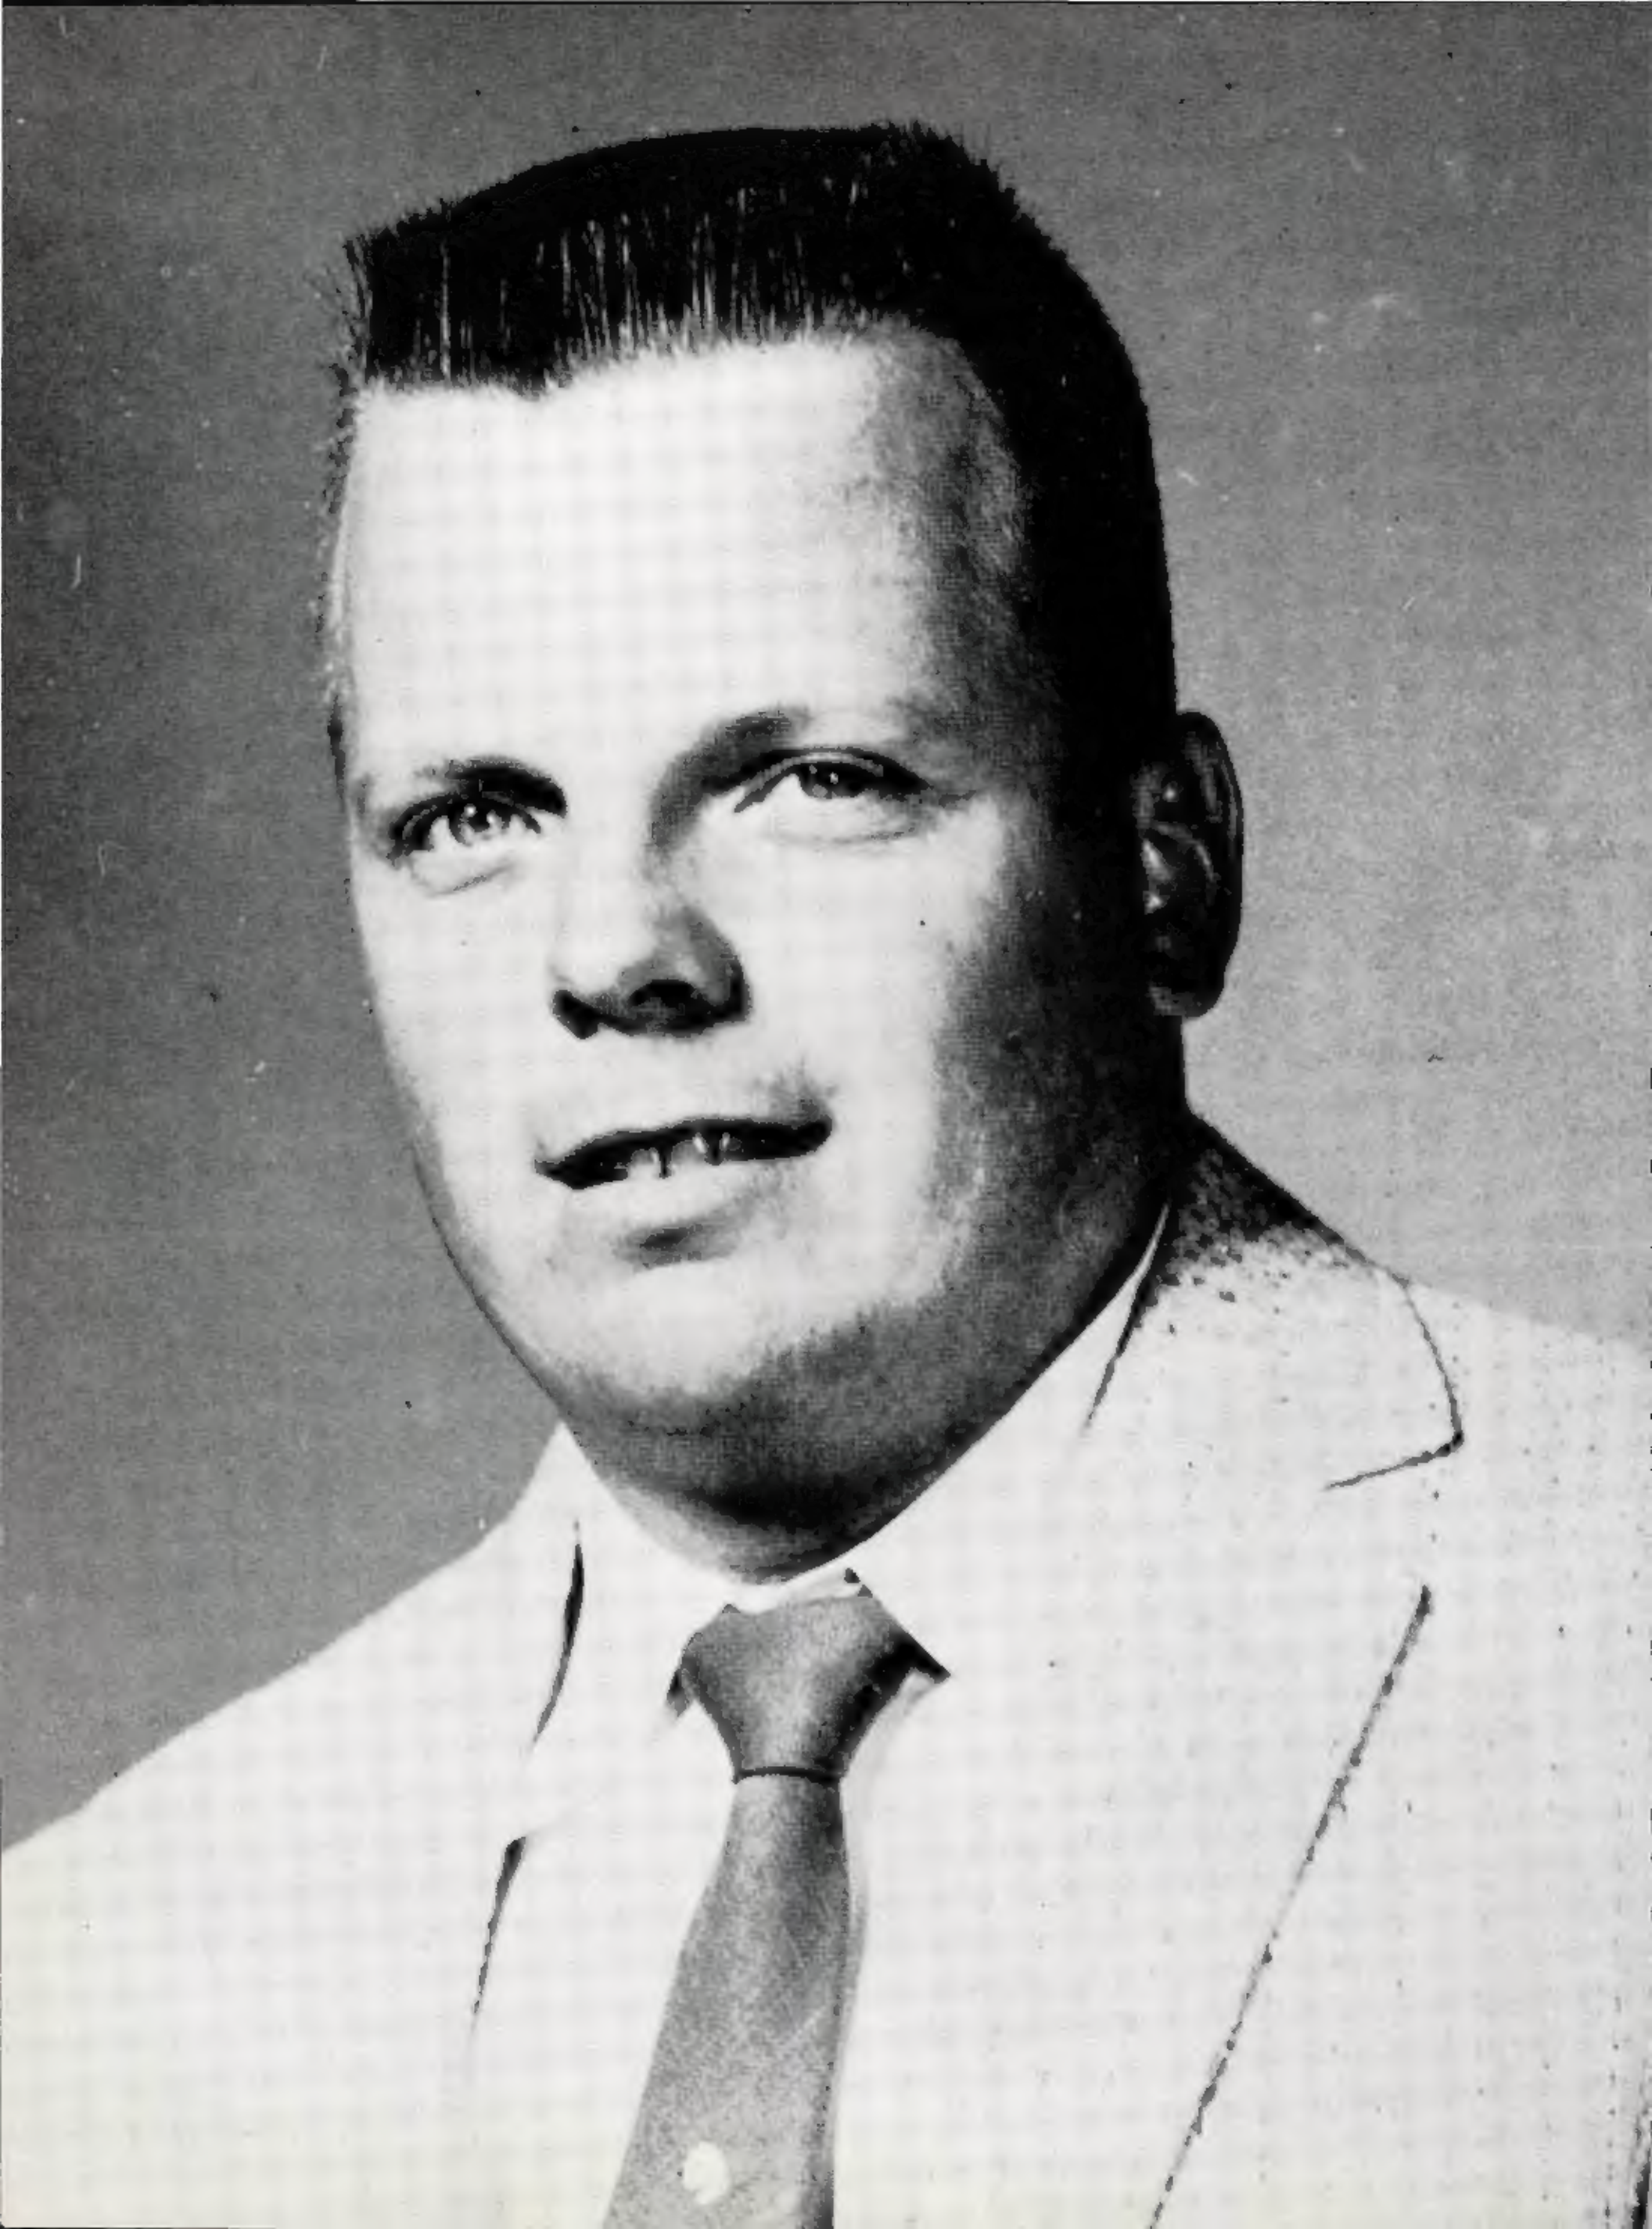

It is the sincere wish of the annual staff
of '61 that this edition of the Aerie shall
be a reminder of the many happy days
spent at Rusk High School, and that each
time you glance through its pages you
will recall the pleasant memories of your
life at R. H. S.

SCHOOL SONG

Hail, Ole Rusk High, we will serve for-
ever; Shine, shine, shine in fair or stormy
weather. March, Eagles, march, bear
the torch, carry on. Fight, fight till the
Master calls you home.

DEDICATION

His life has been a source of inspiration and object of emulation for all who have come in contact with him. He is a scholar, gentleman, and friend. He has won the love and respect of the student body through his friendliness, sense of humor, and patient counseling. He has bettered R. H. S. by devoting his time to the math and athletic departments of our school. We, the Aerie Staff of 1960-'61, with deep affection and admiration, dedicate this edition of the "Aerie" to Mr. Billy Watson.

SUPERINTENDENT'S MESSAGE

There is no guaranteed formula for success and happiness. However, there are some guideposts worthy of comment.

If you will remember there are two days in the week about which you need never worry, you will be on your way to success.

One of these days is yesterday. Yesterday, with its cares, worries, pains, all its mistakes and faults, has passed forever beyond recall. It was yours; it is now God's.

The other day is tomorrow. Tomorrow, with all its possible adversities, great promise and dismal performance, its failures, tensions, frustrations, all are far beyond your ability to master. Tomorrow is God's day; it will be yours.

Then there is but one left, today. Any student can fight the battles of today. Whatever the problems, burdens, or temptations, you CAN carry through for just one day.

Gerald Chapman

PRINCIPAL'S MESSAGE

There are many things, other than physical and mental ailments, that hinder our future success.

Complacency in very small quantities is good, but an overdose is just as sure and effective as poison.

Indifference toward your education, the advice of your parents and elders, and state, national, and world affairs should be given serious consideration.

You must realize that the future of our country will soon be in your hands. We sincerely hope that you will be well prepared.

I want to
tell you how much
I have enjoyed knowing
you. Remember when we
used to sit out on Mr.
at Lamer's car at lunch time
I talk some now?
as you are now.

We, the Aerie staff of '61, wish to

express our sincere appreciation for the

cooperation we received from the citizens

and businessmen of Rusk.

Love
Mary

Janie

I have really enjoyed knowing such a sweet
person as you.

I am a real
 sweet girl whom
 have enjoyed going
 to school with
 you. These past years
 have been fun to
 have as you are now
 going to high school.
 I wish you will
 have a great
 time. Always
 your friend,
 Amy

 We have had a lot
 of fun together.
 Haven't we. I hope
 these next two years
 will be even better
 than the rest. I
 think a lot of you
 and wish you all
 the luck in the
 world. God bless you,
 Darlene

Janie,

 But we can't help it
 cause we're better cooks!
 Best of luck!
 Karen
